Subject: FW: Order on Hold - Usage Request

Hi Jen,

Please see below from RDC. Their usage has increased due to recent price changes. They are also experiencing delays from other suppliers. Per the screen shot below, they have 0 on hand currently and they have been selling out ~270/month for the past 2 months.

Please let me know if you have any questions.

Thank you,
Lisa

Subject: RE: Order on Hold - Usage Request

Lisa,

We are seeing some increased usages in our Rochester location on this item. Some of this usage will eventually be transitioned over to our new DC in Fairfield. I have sent a screen print of our August usage as well as a history screen below. We have seen some outages with another manufacturer as well. Please let me know if there is any other information I can provide.

Thanks

Tracy

For example, if you recently have experienced a significant increase in your customer base or if another manufacturer of this product is experiencing difficulty supplying this product, provide details about those circumstances.

This is most likely due to the recent change in pricing. If so, can you please provide an updated annual usage for this item for our records?
